

## What influences the Safety of Flight?

How much are you willing to risk when you fly? Be part of this educational weekend hosted by the US Coast Guard at Atlantic City. Friday night we will start with a risk assessment presentation.

Saturday's programs start at 0900 and are listed on a separate announcement. If you are planning on flying in, there is room for 12 aircraft to park at the Coast Guard ramp. However, a reservations will need to be made with LCDR Blair at 609 677-2095. This is a unique opportunity don't miss it. Preregistration is required.

**Directions:** Please preregister. You must bring Picture ID and arrive early, for front gate security check.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
